The Next 100 Years at the Hub

We need your help!

The Hub facility is a gem in a rapidly developing city. This historical and unique space is essential for community organizations to thrive and continue good work.

Donate today to ensure the Hub remains open and available for the community for many years to come.

Facility Upgrades

Since 2021, the Hub has undergone some great improvements: new flooring and AC systems in the Sanctuary and Social Hall, upgraded meeting rooms and classrooms, and new landscaping with native plants. Looking ahead, we are focused on making the Hub more ADA accessible and increasing facility security.

What is the Palisades Hub?

Your community gathering place!

The campus at 5200 Cathedral Ave NW has been a pillar of the community since the early 1900s. In 2021 the Palisades Hub was formed by the Palisades Community Church to take on the responsibilities of managing the facility and to ensure that the space stays open and available to the community as a place to gather, connect, learn, and serve. We work with community organizations to provide excellent programming and have an incredible roster of volunteers who tirelessly work to make top-quality events.

There are many events and classes going on at the Hub. Our Community Partners house their offices and have much of their programming at the Hub. Community Organizations at the Hub are great local groups that gather at the Hub to pursue their mission, whether it be singing together or exercising! The Hub is looking towards the future and how this space can continue - *for the next 100 years* - to be open and available so excellent programming has a space to thrive.

**PALISADES
HUB CAP
CENTRE**

The Hub Cap Centre brings live music to the Palisades by supporting and showcasing local bands through live performances. Musicians are notoriously underpaid; this series gives 90% of proceeds to the musicians and is a great way of bringing together music lovers in the DC area.

**BACKSTAGE
B**

To those of us in the audience, backstage can be a mythical place, but this series opens the door to that experience. Backstage @ the Sanctuary combines music and conversation in an intimate setting. Get to know your favorite artists in ways that a traditional concert won't allow. Learn the stories behind the songs, the bands, the venues, and the journeys. Lead by NBC4 journalist and live music advocate, Mark Segreaves.
